   1800 Hollister Drive, Suite G-10
   Libertyville, Illinois 60048

SCHEDULING INSTRUCTIONS FOR THE PATIENT

- Please call Patient Scheduling at 847.535.8000 to schedule an appointment. The Scheduler will advise you of the specific locations available based on the test ordered.
- When calling to schedule an appointment, please have available your health insurance card and any other paperwork your physician has given you regarding the order.
- For routine appointments, please allow time for your physician to submit the order form and complete any necessary pre-certification for your health insurance. If we have not received the paperwork yet, we will make every effort possible to schedule the appointment and follow-up with your physician for the appropriate information.

Thank you and we look forward to providing you the best care during your visit to Northwestern Lake Forest Hospital.
